

For grades 1 through 4, here's how to log in to Clever at Home, from which students can access ST Math and iReady at Home:

On a home computer, Mac, PC or Chromebook:

Go to: www.clever.com/in/westfield-ma

Enter Username: your child's student ID number, also known as their lunch number

Enter Password: your child's network login password, a 4 letter word, capital letter first, then 4 numbers

Once logged in to Clever, you should see the ST Math Penguin and iReady icon

On iPads, Androids and Kindles

Download the Clever App

Download the ST Math: School Version App

Open the Clever App

Log in to Clever:

Username: student's ID number

Password: student's Google log in password: 4 letter word, first letter capital, 4 numbers

For students in Kindergarten, here's how to log in to Clever at Home, from which students can access ST Math and iReady at Home. This may be a two step process if you are logging in to Clever for the first time:

1) On a home computer, Mac, PC or Chromebook:

Go to: www.clever.com/in/westfield-ma

Enter Username: your child's student ID number, also known as their lunch number

Enter Password: your child's student ID number, also known as their lunch number

Once logged in to Clever, you should see the ST Math Penguin and iReady icon

On iPads, Androids and Kindles

Download the Clever App

Download the ST Math: School Version App

Open the Clever App

Log in to Clever, username and password are both the students ID#

2a) If 1 does not work on a home computer, Mac, PC or Chromebook, do this:

Go to: www.clever.com/in/westfield-ma

Enter Username: your child's student ID number, also known as their lunch number

Enter the temporary password, Temp123

You will then be asked to enter a new password

Enter your child's student ID number again, twice

Your child's username and password for Clever are now both their student ID number
Once logged in to Clever, you should see the ST Math Penguin and iReady icon

2b) If 1 does not work on an iPad, Android or Kindle, do this:

Open the Clever App

Enter username, students ID#

Enter the temporary password, Temp123

You will then be asked to enter a new password

Enter your child's student ID number again, twice, as the new password

If you encounter any issues in logging in to Clever and accessing ST Math or iReady at home or have any questions, please email Mr. Houle, the technology teacher here at Paper Mill at a.houle@schoolsofwestfield.org, and I'll respond as soon as possible. Thanks.
